

Who is Colorado Bed & Barn?

Hi, we are Lorrie & Al Todd and we live in the beautiful Pikes Peak National Forest just west of Colorado Springs, Colorado. Our small ranch borders the national forest on a dead-end culdesac road, so we are surrounded by extreme beauty and quiet serenity. We love to meet new people and to share our comfortable home with travelers and vacationers.

Some of our hobbies are:

- horseback riding,

- dirt biking,

- Harley touring,

- hiking,

- fishing

- and enjoying our home, good friends and family.

During your stay, we can provide you with tons of valuable advice on trails, routes and activities in the area.

If you enjoy comfortable, casual accommodations and easy access to many fun attractions our Bed & Barn would be a good fit for you. So whether you are passing through or would like to have a Rocky Mountain vacation, we invite you to stay a bit!
