- "We stayed with Lorrie & Al May 2007 for 3 nights. Coming from Holland and it being my first time in the US, I was a bit nervous and very excited. Lorrie & Al made us feel like it was our own home. We had a wonderful time playing with her horses and touring the sites in the local area. Lorrie cooked us a special dinner, we had many laughs and Al even helped plan out the rest of our trip! I highly recommend Colorado Bed & Barn!" - Eef & Karl Veenstra
